Finance Manager (m/f/d)

Are you an empathetic finance professional who combines strong analytical capabilities with a genuine business mindset? Do you enjoy acting as a trusted advisor to management while driving financial excellence, operational performance and sustainable growth? Our client, an internationally operating manufacturing company, is seeking a commercially minded finance leader to take full ownership of the finance function and actively contribute to the company's continued success.

Your exciting area of responsibility:

- Take full ownership of the local finance function – from accounting and reporting to budgeting and forecasting – and shape how financial excellence is lived at our Austrian site
- Act as a trusted business partner to the Managing Director and international Group stakeholders, turning financial insight into clear recommendations that guide both day-to-day and strategic decisions
- Drive profitability, healthy cash flow and working capital, while identifying opportunities to strengthen margins and secure sustainable, long-term financial performance
- Ensure reliable compliance, governance, audits and statutory reporting in line with local regulations and international Group standards
- Develop meaningful KPIs, transparent reporting and hands-on financial analysis that give management a clear, reliable view of where the business stands
- Lead and develop a small, dedicated finance team, continuously improve processes and systems, and grow into a role with real visibility and impact
- Gradually take on responsibility for the local HR agenda, supporting employee-related topics and helping to foster a positive, people-oriented working environment

What you bring:

- Bachelor's degree or higher in Business Administration, Finance, Accounting or a related field
- At least 5 years of experience in finance, accounting or controlling, ideally in a manufacturing or industrial environment
- Strong expertise in accounting, financial analysis, management reporting, profitability analysis and standard costing
- Experience in budgeting, forecasting, cash flow management and working capital optimization
- Advanced Excel skills and sound ERP system knowledge
- Basic knowledge of Austrian financial, employment and compensation legislation
- Fluent German and English language skills
- High integrity, professional credibility and a strong sense of ownership
- Proactive, hands-on and solution-oriented approach with the ability to think beyond finance

What our client offers:

- A highly visible leadership position with broad responsibility and direct impact on business performance
- Close collaboration with management, Group Finance and international stakeholders
- A varied role combining strategic finance leadership with operational and people responsibility
- A gross annual salary starting at EUR 95,000, with the willingness to pay more depending on your qualifications and experience

Leistungen

-  Home-Office Option
-  Modernes Office bzw. IT Infrastruktur
-  Firmenfeiern & Events

Jährliche Gehaltsspanne
